

Health Care Oversight Committee

Update on Mental Health – October 25, 2018

Melissa Bailey, Commissioner

Update on:

- Brattleboro Retreat level 1 +12 bed expansion
- UVMMC/CVMC bed expansion planning process
- Community Street Outreach
- Legislative Reports

Brattleboro Retreat

- Initially 3 phase plan – was adjusted to 2 phase plan eliminating potential delays
- Planning and design on track for 12 beds to open Jan 2020.
- Buildings and Ground Services, Brattleboro Retreat and Department of Mental Health working together to finalize plans and for construction to begin
- The only potential delay may be in hiring of nurses, psychiatrist and other direct line staff
- Remodeling may result in net 16 bed gain with DMH contractor for 12 level 1 and the additional 4 be available for any payer or person

UVMMC and CVMC planning for bed expansion

- UVMMC and CVMC have been hosting and will continue to host community forums with a variety of stakeholders and interested parties to develop plan
- UVMMC and CVMC has done a deep analysis of emergency department waits, inpatient need and discharge delays and at this point have determine 29-35 bed capacity is needed

Community Outreach Team— Chittenden Co

- Fully staffed and providing services to 5 towns: Essex, Winooski, South Burlington, Colchester and Shelburne
- Staff are flexible, well received and providing invaluable services
- Between April 2018-Sept 2018 611 people made contact with the Community Outreach Team
- 124 referrals to other services were made
- **Of the 611 contacts only 39 were referred to the Emergency Department – 21 for psychiatric care; 12 for medical and psychiatric care and 6 for medical care only**

Legislative Reports

- Orders of Non-Hospitalization – workgroup has met several times, asked for an extension for one meeting to finalize recommendations
- Reported out on the use of the additional \$4.3M to the DAs for workforce retention. (Done Sept 2018)
- Leading or participating in all Act 200 reports which are in process
- Participating in committees and follow up reports related to
 - Educational census based funding
 - IMD issues and required phase down
 - Adverse Childhood Experiences; Response Plan
 - Facilities plan
 - Commissioner on Offenders -Traumatic Brain Injury
