

Sec. B.1108 CORONAVIRUS RELIEF FUND; REALLOCATION;

ALLOCATION OF UNOBLIGATED MONIES; JOINT

FISCAL COMMITTEE

(a) Purpose. As set forth in 2020 Acts and Resolves Nos. 120, 136, 137, and 138, unless otherwise authorized by the Commissioner of Finance and Management, any monies appropriated from the State's Coronavirus Relief Fund (CRF) shall revert to the CRF to the extent they have not been expended by December 20, 2020 to enable reallocation. In addition, CRF monies appropriated during the 2020 legislative session that are no longer necessary because funds have been received for the same or a similar purpose from another source may revert to the CRF for reallocation. The purpose of this section is to establish processes for allocating unobligated CRF monies and for reallocating reverted CRF monies and any unexpended and unencumbered monies appropriated from the CRF that the Commissioner of Finance and Management identifies between the date of final legislative passage of the fiscal year 2021 budget bill and December 20, 2020 as being unable to be expended for their original purposes by December 30, 2020.

(b) Allocation and reallocation.

(1) The Commissioner of Finance and Management may allocate unobligated CRF monies, reallocate reverted CRF monies, and reallocate unexpendable and unencumbered CRF monies, upon approval of the proposed allocation or reallocation by the Joint Fiscal Committee as set forth in this subsection.

(2) If the Commissioner of Finance and Management identifies reverted CRF monies, unexpendable and unencumbered CRF monies, or unobligated CRF monies, or a

combination of these, that the Commissioner wishes to reallocate for a use other than that for which the CRF monies were originally appropriated, or that the Commissioner wishes to allocate, in the case of unobligated CRF monies, the Commissioner shall inform the Joint Fiscal Committee of:

- (A) the amount or amounts available for allocation or reallocation;
- (B) the proposed use or uses of the monies; and
- (C) the manner in which the proposed use or uses comply with the parameters

set forth in Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance.

(3) Criteria for approval.

(A) Compliance with CRF parameters. In determining whether to approve a proposal submitted by the Commissioner under this section, the Joint Fiscal Committee shall first determine whether each proposed use of CRF monies complies with the parameters set forth in Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance. If the Committee determines that a proposed use likely does not comply with the parameters, the Committee shall disapprove that proposed use.

(B) Timeliness. If the Committee determines that a proposed use likely does comply with the CRF parameters, it shall next consider whether the proposed use is likely to be achievable by December 30, 2020. If the Committee determines that the proposed use is unlikely to be achieved by December 30, 2020, the Committee shall disapprove that proposed use.

(C) Proposed uses.

(i) If the Committee determines that a proposed use likely complies with CRF parameters and is likely achievable by December 30, 2020, then, in light of the

uncertainty regarding the continued effects of the COVID-19 public health emergency,  
the Committee shall evaluate the proposed use in the context of the areas of greatest need  
at the time of the proposal.

(ii) If the federal government allows the State to use CRF monies for  
purposes previously not permitted under Sec. 5001 of the CARES Act, Pub. L. No. 116-  
136 and related guidance, then, in addition to evaluating the proposed use in the context  
of the areas of greatest need, the Committee shall prioritize proposed uses related to  
revenue replacement for State government, local government, and the education finance  
system, and related to the funding of ongoing State financial liabilities.

(4) Joint Fiscal Committee process.

(A) Upon receipt of the information set forth in subdivision (2) of this  
subsection (b) from the Commissioner of Finance and Management, the Joint Fiscal  
Committee shall inform the General Assembly of the proposal and shall approve or  
disapprove each proposal within 10 calendar days following receipt.

(B) If the Joint Fiscal Committee disapproves a proposal, the Commissioner  
may revise and resubmit for further consideration. The Joint Fiscal Committee shall  
approve or disapprove within five calendar days following receipt of the revised  
proposal.

(5) Joint Fiscal Meetings. The Commissioner of Finance and Management shall  
report to the Joint Fiscal Committee on or before November 5, 2020 and December 7,  
2020 on the status of reallocation proposals under this section.

(c) Transfer authority. Nothing in this section shall be construed to limit the authority  
of the Emergency Board to transfer appropriations pursuant to 32 V.S.A. §§ 133 and 706.

(d) Final allocation and reallocation. On or after December 21, 2020, the Commissioner of Finance and Management may reallocate any unexpended and unencumbered CRF monies, and allocate any unobligated CRF monies, to the Department of Labor for reimbursement of claims expenditures made from the Department of Labor Unemployment Insurance Fund between March 1, 2020 and December 30, 2020.

## Sec. B.1109 CONTINGENCY PLANNING FOR INCREASED CRF

### FLEXIBILITY

(a) Purpose. The purpose of this section is to establish processes to be followed in the event that the federal government provides increased flexibility in authorized usage of the State's Coronavirus Relief Fund (CRF) monies following the date of final legislative passage of the fiscal year 2021 budget bill and prior to the convening of the 2021 legislative session.

(b) Expanded uses. If the federal government allows the State to use CRF monies for purposes previously not permitted under Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance, but does not extend the period during which the monies must be expended, the Commissioner of Finance and Management shall inform the Joint Fiscal Committee and may propose additional uses of the CRF, which may include using unobligated CRF monies, previously allocated but unencumbered CRF monies that are unable to be expended by December 30, 2020, reverted CRF monies, or a combination of these, for Joint Fiscal Committee approval in accordance with the procedure set forth in Sec. B.1108 of this act, including considering the areas of greatest need.

(c) Extension of time. If the federal government allows the State to use CRF monies beyond the December 30, 2020 deadline established in Sec. 5001 of the CARES Act, Pub. L. No. 116-136, the Commissioner of Finance and Management shall notify the Joint Fiscal Committee of the extension.

(1) If the Joint Fiscal Committee, after consultation with the Commissioner, determines that the extension would allow for the full General Assembly to consider additional uses of CRF monies during the 2021 legislative session, the Joint Fiscal Committee shall limit its approval of allocations and reallocations pursuant to Sec. B.1108 of this act to those for which prompt action is necessary due to the time-sensitive nature of the proposed use or to the limited duration of the extension, or both.

(2) If the Joint Fiscal Committee, after consultation with the Commissioner, determines that the length of the extension would not provide the full General Assembly with sufficient time to address additional uses of CRF monies during the 2021 legislative session, the Joint Fiscal Committee shall consider the Commissioner's proposals in accordance with the procedure set forth in Sec. B.1108 of this act.

(3) In the event of an extension of time to use CRF monies, the final allocation and reallocation to the Department of Labor pursuant to Sec. B.1108 of this act shall not occur without the approval of the Joint Fiscal Committee.

## Sec. B.1110 CONTINGENCY PLANNING FOR ADDITIONAL FEDERAL

### FUNDING

(a) The purpose of this section is to establish processes to be followed in the event that the federal government provides additional funds to the State of Vermont related to

the COVID-19 public health emergency following the date of final legislative passage of  
the fiscal year 2021 budget bill but prior to the convening of the 2021 legislative session.

(b) If the federal government provides additional Coronavirus Relief Fund (CRF)  
grant monies to Vermont following the date of final legislative passage of the fiscal year  
2021 budget bill but prior to the convening of the 2021 legislative session, the monies  
shall be subject to the CRF acceptance conditions adopted by the Joint Fiscal Committee,  
as may be amended.

(c) If the federal government provides an increase of \$10,000,000.00 or more to an  
existing federal grant other than the CRF grant following the date of final legislative  
passage of the fiscal year 2021 budget bill but prior to the convening of the 2021  
legislative session, the Secretary of Administration shall notify the Joint Fiscal  
Committee and the General Assembly of the grant award prior to exercising excess  
receipts authority.
