To: Joint Fiscal Committee

From: Joan Goldstein, Commissioner, Department of Economic Development

We are requesting a change in the title of the position approved for the ARPA funded economic recovery grant program. This was approved at the Joint Fiscal Committee meeting of June 22. We are hereby requesting it to be amended to a Staff Attorney IV.

We have been actively recruiting since that time and have finally found a candidate whose experience and qualifications more readily match the requirements and workload of the dept. In order for us to move forward we would need to amend the position.

Thank you for your consideration of this request.

Joan Goldstein
