[Type here]

Manager. Positions will carry out work related to the federal Broadband Equity, Access, and Deployment (BEAD) program. This program has the potential to bring in additional Broadband investment, provided local applications are successful. Positions are fully funded through 11/30/2027 and are funded by previously approved JFO #3136.

[Received February 26, 2024]

Robert Fish, Deputy Director, Vermont Community Broadband Board

1:38 p.m. Adjournment
