Sec. 2 states the intent of the General Assembly to consider the operational status and funding needs of the Burlington overdose prevention center (OPC) during the fiscal year 2027 budget adjustment process as well intent to appropriate up to \$1,100,000 to the Department of Health for the purpose of awarding a grant to the City of Burlington for the work of the OPC if a site has been secured, is being fit up for its intended use, and the is currently or will imminently become operational. The act also states the intent of the General Assembly for the continue funding for the OPC from the Fund through at least fiscal year 2028.

Sec. 3 states the intent of the General Assembly to fund HireAbility using General Fund monies, rather than Opioid Abatement Special Fund monies, in fiscal year 2028 and thereafter.

Sec. 5 requires each ongoing funding proposal considered by the Opioid Settlement Advisory Committee to include a sustainability plan from the applicant to ensure consideration of future expenses and available resources apart from the Opioid Abatement Special Fund.

Sec. 7 directs the Advisory Committee to not accept any new funding proposals for fiscal year 2028, unless a proposal was previously identified in statute as intended for annual funding. Instead, the Advisory Committee would review the outcomes of programs and initiatives previously funded to assess the effectiveness, long-term sustainability, and appropriateness of the Fund as a funding source.

Sec. 8 requires the Department of Health to submit to the General Assembly quarterly reports regarding expenditures from the Opioid Abatement Special Fund, identify funds that remain unobligated, unspent, or both, and an explanation of why the funds have not been fully distributed.

Sec. 9 reverts \$1,452,287 to the Opioid Abatement Special Fund as shown in the following chart.

TOTAL FY 2027 REVERSIONS			(\$1,452,287)

In summary, the act appropriates \$7,637,646 from and reverts \$1,452,287 back to the Opioid Abatement Special Fund for a net impact of \$6,185,359.

Opioid Abatement Special Fund Balance and Future Allocations

The estimated unappropriated balance of the Fund as of February 11, 2026, was approximately \$11.8 million. Based on this, the estimated Fund balance, not taking into consideration any future allocations (as listed in the chart below), would be approximately \$5.3 million. The following chart shows the estimated allocations to the Fund based on all current settlements, except for the Sackler/Purdue settlement, which has yet to be finalized.

Estimated Allocations to the Opioid Abatement Special Fund, 2025 - 2037 (in millions)					
Year	Allocation	Year	Allocation	Year	Allocation
2025	\$4.58	2030	\$4.46	2035	\$1.10
2026	\$4.45	2031	\$4.10	2036	\$0.63
2027	\$4.10	2032	\$4.10	2037	\$0.63
2028	\$4.76	2033	\$2.96		
2029	\$4.78	2034	\$1.10		

Substance Misuse Prevention Special Fund (Secs. 11 and 12)

Sec.11 appropriates \$640,641 from the Substance Misuse Special Fund. According to the Department of Health, there should be enough money in the Fund to cover these costs in fiscal year 2027.

H.660 – Fiscal Year 2027 Appropriations: Substance Misuse Prevention Special Fund

Sec. 11, Subsec.	Description	Appropriation	
		Dept./Agency	FY 2027 Amount
1	Elevate Youth Services to support the creation of a low-barrier, drop-in teen center in Barre	Health	\$288,935
2	Greater Falls Connections	Health	\$124,999
3	Interaction: Friends for Change	Health	\$200,000
4	Winooski Partnership for Prevention	Health	\$26,697
TOTAL FY 2027 APPROPRIATIONS			\$640,631

Sec. 12 requires the Department of Health, as part of its annual budget presentation, to report to the committees of jurisdiction on its specific spending proposal from the Substance Misuse Special Fund for the coming year. The report will also include an estimate on how much of the Fund balance would be anticipated to remain unallocated at the end of the fiscal year.
