## Fiscal Note

### **S.243 – An act relating to distributing funds to the Vermont Language Justice Project**

**As recommended by the House Committee on Appropriations<sup>1</sup>**

#### **Bill Summary**

The bill as recommended by the House Committee on Appropriation would require the Department of Health, in consultation with the Department of Public Safety’s Division of Emergency Management, to contract with the Vermont Language Justice Project (VLJP) to prepare informational materials at the request of State agencies and departments, as needed, to assist Vermonters who speak languages other than English in the event of a disease outbreak, natural disaster, or other public health emergency, including ongoing personal and public health information.

It would also require the Department of Buildings and General Services to assist VLJP in being named to the State’s list of approved contractors, revert \$150,000 of General Fund carryforward from the Agency of Administration, and appropriate an equal amount to the Department of Health (VDH) for a grant to VLJP for the aforementioned services.

#### **Background**

The bill as passed by the Senate directed VDH to distribute \$150,000 to VLJP, to the extent funds were appropriated for this purpose. The Senate proposal of amendment to H.951, the fiscal year 2027 budget, includes a one-time \$150,000 General Fund appropriation to VDH for a grant to VLJP.

Act 78 (2023), the fiscal year 2024 budget, included a one-time General Fund appropriation of \$2.3 million to the Agency of Administration (which houses the Office of Racial Equity) to create, implement, and oversee a comprehensive statewide language access plan.<sup>2</sup> As of the January 2026 Report on General Fund Carryforward and Reversions, that appropriation had roughly \$2 million remaining.<sup>3</sup>
