Chris Rupe, Associate Fiscal Officer

S.56 (Act 29) – An act relating to creating an Office of New Americans

As Enacted^{1,i}

Bill Summary

This bill creates an Office of New Americans Study Committee to make recommendations for creating an independent Office of New Americans.

The proposed study committee would cost approximately \$6,200 in per diem and expense reimbursements to the Agency of Human Services across fiscal years 2026 and 2027.

Fiscal Impact

Members of the Committee would be entitled to per diem compensation and expense reimbursement for not more than 10 meetings, resulting in an estimated cost of \$6,200 to the Agency of Human Services (AHS). Act 27 (2025), the fiscal year 2026 appropriations act, appropriates \$6,200 to AHS for this purpose.

The Committee is charged with studying and submitting a written report to legislative committees concerning recommendations for creating an independent Office of New Americans. The Committee has the administrative, technical, and legal assistance of AHS. The first meeting of the Committee is required to be called on or before September 1, 2025, and the report is required to be submitted on or before September 1, 2026. The Committee ceases to exist on the earlier of September 1, 2026 or the date that the Committee submits its written report.

Fiscal Impact

Members of the Committee are entitled to per diem compensation and reimbursement of expenses as permitted under 32 V.S.A. § 1010 for not more than 10 meetings. These payments would be made from monies appropriated to AHS. These costs would average approximately \$124 per member per meeting. If five members are eligible for reimbursement for 10 meetings,² the total cost would be approximately \$6,200. This cost may be due in both fiscal years 2026 and 2027 depending on the timeframe of the Committee's work.

Section B.1100(e)(2) of Act 27 (2025), the fiscal year 2026 appropriations act, appropriates \$6,200 to AHS on a one-time basis for per diems and expense reimbursement for members of the Committee.

For attendance at meetings when the General Assembly is not in session, a legislative member of the Committee would be entitled to per diem compensation and reimbursement of expenses for not more than 10 meetings. These payments would be made from monies appropriated to the General Assembly. The bill proposes no legislative members, but there is a possibility that a legislative member could be appointed if they fit the membership criteria set forth in the bill. If a legislator is appointed to the Committee, the cost would be approximately \$250 per legislator per meeting.

² This cost estimate assumes that five of the six Governor appointees might be eligible for compensation, while the member nominated by the Vermont State College System might be an employee not entitled to it.
