

<b>FY 2024 Education Fund Tracking (\$ in millions, major sources)</b>						
<b>Compared to July 2023 Revenue Forecast</b>						
<i>Note: Due to the Flooding Events in July some tax processing was delayed and certain tax payments for flood impacted individuals and business has been extended until Nov. 15th. Because the forecast was released shortly after the flood, the monthly revenue forecast does not reflect likely delays in revenue remittance. As a result, the monthly revenue results compared to forecast may be skewed for the first half of FY 2024, but the cumulative totals should align with forecast by the end of November.</i>
