

Preliminary FY2021 Education Property Tax Rates on Homesteads

Education tax rates are based on a **property tax yield of \$10,883**. This is consistent with yield projected in the Dec. 1 tax rate letter. The yield and tax rates are subject to change based on legislative action and available revenue. Current fund projections indicate there is \$17.7 million in the Education Fund which may be available to reduce FY21 tax rates.

Calculations are based on:

- Preliminary board approved budgets as of Feb. 20, 2020. Data has been submitted for 92 districts (77%). Tax rates are not calculated for unreported districts.
- Equalized pupils counts as of Feb. 14, 2020. The statewide equalized pupil count is 87,303.
- Tax rates include Act 46 merger incentives were applicable
- Tax rates do not include the excess spending penalty (FY21 threshold: \$18,756). Information on eligible budgetary exclusions are not yet available.
