\*Public Law 112-55 mandates that 80% of the State's CDBG-DR allocation (\$17,328,169) be spent in the "most impacted and distressed areas..." which were determined by HUD to be Washington and Windsor counties. At the state's request, HUD broadened that determination, as of July 18, 2012, to allow the State to use up to \$4,500,000 of the \$17,328,169 in Windham County.
