Woodside Juvenile Rehabilitation Center

Dear Kris,

This letter serves as official notification that Woodside has been awarded \$9,576 from the Stern Center. This amount represents a subaward of the grant that the Stern Center received from the Canaday Foundation for the Stern Center to deliver direct instruction and professional learning at Woodside Juvenile Rehabilitation Center in Colchester, Vermont.

These funds (\$9,576) include usage restrictions. The funds are to be used by Woodside to provide a Behavioral Interventionist(s) during the direct instruction that is being provided by a Stern Center Collaborative Educator for the work that is being delivered as part of the Canaday grant. Note that the timeframe for this grant is the 2016-17 school year and may be applied retroactively against any spend that has taken place since the Canaday work has begun, provided it was used to provide a Behavioral Interventionist as noted above.

We are thrilled that Canaday included this amount for Woodside in the overall grant and remain so pleased to continue our work with the students and educators of Woodside.

Please do not hesitate to contact me if you have any questions.

Best regards.

Michael Shapiro
