

STATE OF VERMONT JOINT FISCAL OFFICE

MEMORANDUM

To: Joint Fiscal Committee members
From: Daniel Dickerson, Fiscal Analyst
Date: May 31, 2016
Subject: Grant Request #2825, #2826, #2827, #2828

Enclosed please find four (4) items that the Joint Fiscal Office has received from the administration, including **one (1) limited-service position request**.

JFO #2825 – \$10,000 grant from Agricultural Safety & Health Council of America (ASHCA) to the VT Agency of Agriculture, Food and Markets. These funds will be used to develop and produce a bilingual agricultural fire safety video and training kit to teach best practices for on-farm fire safety. [*JFO received 5/20/16*]

JFO #2826 – \$9,500 grant from the Training and Research Support Centre Limited (TARSC) to the Department of VT Health Access (DVHA). The funds will be used for training and research on approaches to community power, participation and decision-making in health for the purposes of gathering substantive evidence on promising practices in statewide sites and abroad.

[JFO received 5/25/16]

JFO #2827 – \$8,900 grant from the Alma Gibbs Donchian Foundation to the Agency of Commerce and Community Development. The funds will be used to support statewide historic sites, to include: \$3,500 for a temporary exhibit at the Calvin Coolidge State Historic Site, \$2,900 for three Grace Coolidge Musicale events at the Calvin Coolidge State Historic Site, and \$2,500 for the Justin Morrill State Historic Site to be open to the public three additional days per week during the 2016 season. [*JFO received 5/25/16*]

JFO #2828 – One (1) limited-service position within the Department of Public Service (DPS). The position will be titled Energy Program Specialist II and will monitor the performance of Vermont gas Systems (VGS), which has recently been appointed as an energy efficiency utility (EEU). The position will also perform additional work in evaluating and verifying energy savings for the renewable energy standard (RES) Tier III obligations, which go into effect in 2017. The position will be funded primarily through the Energy Efficiency Fund and potentially through billbacks to utilities for certain expenses. DPS requested the position through 2026, but the Department of Finance and Management recommends approving the position through FY

2019, at which time the Administration could consider whether or not to extend it further into the future. [*JFO received* 5/25/16]

Please review the enclosed materials and notify the Joint Fiscal Office (Daniel Dickerson at (802) 828-2472; <u>ddickerson@leg.state.vt.us</u>) if you have questions or would like an item held for legislative review. Unless we hear from you to the contrary by <u>June 14, 2016</u> we will assume that you agree to consider as final the Governor's acceptance of these requests.

The Vermont Division for Historic Preservation (Division) respectfully request approval to accept grants from the Alma Gibbs Donchian Foundation for the following undertakings:

- 1. \$3,500 for the temporary exhibit, "Presidential Gifts" at the President Calvin Coolidge State Historic Site in Plymouth Notch from May to October 2016;

The Alma Gibbs Donchian Foundation has been a devoted benefactor for many years, providing funding beyond their primary mission to support the activities and events at Vermont's state-owned historic sites. The Division and the Historic Sites administrators welcome this collaboration in order to continue producing inspiring, thought-provoking experiences for visitors.

We are grateful to the Alma Gibbs Donchian Foundation for such extensive support this year in particular. We are very excited by the programming available at the Historic Sites this summer and invite you to view our calendar of events and join us for what promise to be some memorable occasions. <u>http://historicsites.vermont.gov/</u>
