Memorandum

For

From: Chuck Ross, Secretary, Agency of Agriculture, Food & Markets

Date: February 26, 2016

Re: Request to Expedite AA-1 Process – Working Lands Enterprise Fund Donations

The following entities have pledged donations to the Agency of Agriculture, Food, and Markets to supplement the FY2016 \$505,000 grant budget for the Working Lands Enterprise Initiative. These monies will help fund grants to businesses and technical assistance providers.

- \$100,000 Merinoff Family of Meadows Bee Farm, Windham, Vermont
- \$ 50,000 The Progressive Farm Alliance, Shoreham, Vermont
- \$ 25,000 Long Trail Brewing Company, Bridgewater Corners, Vermont

Business grants may be for up to \$50,000, and must display innovation, test a new business model, or address a specific supply chain need.

Service Provider grants may be for up to \$75,000 and must demonstrate direct impacts on working lands businesses, including increased sales, job creation or increased output.

In the FY2016 grant cycle we have received 114 applications for \$3.3 million in funds. All funding decisions are made by the WLEB (Working Lands Enterprise Board), which is composed of 20 public, private and non-profit members and chaired by Deputy Secretary LaClair (acting designee for Secretary Ross). Donors will have no input into the decision making process.

We are requesting an expedited review, as the WLEB meets on March 15 to decide on Business grants, and the number of grants approved will depend on the amount of funds available.

Enclosed are the pledges from the three entities outlining the stipulations of their donation and expectations to support the Working Lands Enterprise Initiative.

Chuck Ross, Secretary of Agriculture Vermont Agency of Agriculture, Food and Markets 116 State Street Montpelier, VT 05620

Dear Mr. Ross:

Leigh and Charles Merinoff would like to contribute \$100,000 to the Vermont Agency of Agriculture to support the Working Lands Enterprise Program under 6 V.S.A. \$4605(2). We intend for the funding to supplement the State's appropriation to the Working Lands Enterprise Fund for:

- Making investments into Vermont's working lands agriculture and forest businesses;
- Providing technical assistance to support Vermont's working lands businesses; and
- Promoting tools that would support value-added Vermont agriculture and forest products.

We authorize the Working Lands Enterprise Board to make decisions about the use of these funds in accordance with their statutes, policies and procedures.

It is understood that this contribution is made solely to support the Vermont Working Lands Enterprise Fund and for no other reason.

Sincerely,

Charles Mering **Charles Merinoff**
