THE MISSION OF

THROUGH THE FUNDING OF COMMUNITY-BASED PREVENTION STRATEGIES.

Dear Doug:

The Permanent Fund for Vermont’s Children and the Turrell Fund would like to make a $20,000 gift to the State of Vermont specifically to fund a contract with Kim Friedman to develop the Action Plan to accompany the Early Childhood Framework developed for the Governor’s Early Childhood Summit. These funds provided by the Turrell Fund and the Permanent Fund are gifted to the Agency of Human Services and are to be used exclusively for the purpose listed above.

If you have any questions regarding this gift please contact me at 802-388-3355 ext. 229 or my co-worker, David Morrissey at ext. 228.

Best,

Debra Rooney, CPA  
CFO & Vice President for Finance  
Vermont Community Foundation
Nathan, I am your contact person for the query you sent to Jim and Rich related to the $20,000 for the Early Childhood Action Plan development.

This gift to the state is in support of Kim Friedman’s contract with us to complete the action plan related to the Early Childhood Framework. The Framework is related to the Governor’s focus on Early Childhood, the recent Governor’s Summit, and the Framework document. The Action plan will extrapolate the high level goals into indicators, strategies and action related to the Framework goals along with delineating responsibility for the action steps. We are working hand in hand with the Agency of Ed, the Governor’s Office and Building Bright Futures in addition to many, many stakeholders to complete this process.

I have excerpted part of the scope of work from Kim’s contract here, please don’t hesitate to let me know if you have any additional questions. Thanks.

*The contractor will develop an Early Childhood Action Plan as a companion document to the Governor’s Early Childhood Framework document. The contractor will work with agency staff and others in state government responsible for prenatal care, health care and nutrition for young children and their families, services for young children with special needs, child development, child protection, and all other aspects of early childhood programs and policies in order to draft this document. Additionally, the contractor will be responsive to an Implementation Team comprised of representatives from the Governor’s Office, the AHS Secretary’s Office, the Agency of Education, the Building Bright Futures Council and private philanthropic organizations. It is understood that the development of an Action Plan will include strategies, indicators of success and milestones that correlate directly to the goals in the Early Childhood Framework.*

*The Early Childhood Action Plan will be developed on behalf of the Agency of Human Services, the Governor and the Governor’s policy and fiscal staff.*

*The Contractor will draw upon existing knowledge, reviews of successful action planning documents from other states, and the expertise of individuals, providers and organizations working with young children and their families to develop Vermont’s Early Childhood Action Plan. The Contractor will work with a technical assistance consultant as available and appropriate to facilitate the action planning and implementation work.*

*The expected work product will be a comprehensive action plan as a companion to the Early Childhood Framework.*

*The Contractor will create a mutually agreed upon work plan to better define the process for development of an Action Plan and will operate at the direction of the AHS Secretary and his designee. Elements of the work plan are subject to change at the discretion of the AHS Secretary or his designee.*

*The Contractor shall supply original copies of all work products as requested by the AHS Secretary. Work assignments shall originate with the Secretary of the Agency of Human Services or his designee.*

*A final work product will be evidenced by a final Early Childhood Action Plan document. Primary responsibilities for the Contractor include but are not limited to:*
1) Oversee the development of a statewide Early Childhood Action Plan to operationalize the goals in the Early Childhood Framework, including:
   a) Drafting a detailed work plan
   b) Working with an Action Plan Committee to finalize and implement that plan
   c) Planning all relevant conference calls and meetings
   d) Maintaining a web presence
   e) Convening and facilitating weekly calls with an Action Plan governance sub-committee to make interim and/or smaller decisions between Action Plan Committee meetings

2) Draft and revise the Action Plan

3) Involve the Technical Assistance consultant when technical assistance is needed, including but not limited to:
   a) Shifting through focus session ideas to identify key objectives and strategies
   b) Ideas from other states that could inform our approach
   c) Prioritization of objectives and strategies
   d) Facilitation of key meetings
