MEMORANDUM

To: Joint Fiscal Committee members
From: Daniel Dickerson, Fiscal Analyst
Date: September 13, 2018
Subject: Position and Grant Requests — JFO #2924- #2926 and a Pre-Spending Notification

Enclosed please find four (4) items, including four (6) limited-service positions, which the Joint Fiscal Office has received from the administration. One of these items is a pre-spending notification that requires no action by the Joint Fiscal Committee and is for informational purposes only.

**JFO #2924** — Two (2) limited-service positions within the VT Dept. of Environmental Conservation (DEC). The positions would be titled and assigned as follows: one (1) Environmental Analyst III within the Watershed Division and one (1) Grants Management Specialist within the Administration & Innovation Division. The positions would be funded through ongoing U.S. EPA Lake Champlain Basin Program (LCBP) grant dollars that were recently re-awarded through 9/30/2019. DEC believes that this ongoing source of funds will continue into the foreseeable future but is requesting that the positions be authorized for two years from the final approval date, which would go to roughly 9/30/2020. The environmental analyst would assist with DEC’s ongoing Lake Champlain clean-up efforts including project management, evaluating invoices, project milestone reviews and reporting to State and Federal agencies. The grants specialist would oversee the administration of the additional LCBP grant dollars, which are approximately $4,000,000 greater than in prior grant awards.

[JFO received 9/07/18]

**JFO #2925** — Four (4) limited-service positions within the VT Military Department. The four positions would be titled Security Guard and would contribute to the protection of military facilities throughout Vermont. The Military Department is requesting approval of the new positions prior to the official award of federal dollars for the positions but would not hire them until the additional federal dollars are guaranteed. The Army National Guard Force Protection Federal Program Manager has requested an increase in security dollars for Vermont but the final decision hinges on Congressional and Presidential approval of the military budget.

[JFO received 9/12/18]

**JFO #2926** — $20,000 from the Governor’s Highway Safety Association and the Foundation for Advancing Alcohol Responsibility to the VT Agency of Transportation. The funds would be used in state FY2019 to provide training to law enforcement to help reduce drug-impaired driving.

[JFO received 9/13/18]
Pre-Spending Notice – The Agency of Transportation sent over a letter informing the Joint Fiscal Office that approximately $50,000 in State funds is being used towards "required planning, airspace reviews, environmental and other permitting requirements, and engineering design," which is all needed in order to apply for grants-in-aid for airports from the Federal Aviation Administration (FAA). The Agency is preparing a grant application to fund a new terminal facility at the Morrisville-Stowe Airport. If the grant is awarded, the Joint Fiscal Committee will ultimately need to approve the acceptance of grant funds.

[JFO received 9/01/18]

Please review the enclosed materials and notify the Joint Fiscal Office (Daniel Dickerson at (802) 828-2472; ddickerson@leg.state.vt.us) if you have questions or would like an item held for legislative review. Unless we hear from you to the contrary by September 27, 2018 we will assume that you agree to consider as final the Governor’s acceptance of these requests.
This form is to be used by agencies and departments when additional grant funded positions are being requested. Review and approval by the Department of Human Resources must be obtained prior to review by the Department of Finance and Management. The Department of Finance will forward requests to the Joint Fiscal Office for JFC review. A Request for Classification Review Form (RFR) and an updated organizational chart showing to whom the new position(s) would report must be attached to this form. Please attach additional pages as necessary to provide enough detail.

3. Justification for this request as an essential grant program need:

   The annual funding for the Security Guard Program of the Vermont Army National Guard is granted by the National Guard Bureau under the Master Cooperative Agreement. The Army National Guard (ARNG) uses metrics to determine the critical requirement of Security Guard manning needed for each state. Last year in FY2018 Vermont received funding that supported 80% of our established critical requirement. (Continued on Next Page)

I certify that this information is correct and that necessary funding, space and equipment for the above position(s) are available (required by 32 VSA Sec. 3(b)).
