MEMORANDUM

To: Joint Fiscal Committee members
From: Daniel Dickerson, Fiscal Analyst
Date: November 17, 2017
Subject: Limited-Service Position Requests #2902 - #2904

Enclosed please find three (3) items, which the Joint Fiscal Office has received from the administration.

JFO #2902 – Four (4) limited-service positions within the VT Military Department. The positions would all be titled Security Guard. The positions have been requested to help the Department fulfill increased security obligations at Vermont army facilities based on the most recent national risk analysis, which stated that Vermont is in need of 24 security guards to protect army facilities. Federal funding was previously sufficient to cover the costs of only 13 guards but that funding has increased enough to fund the four new positions that are being requested. The new positions would be completely federally funded and the funding would be available through 9/30/2019.

JFO #2903 – One (1) limited-service position within the VT Military Department. The position would be titled Military Property Management Specialist and is being requested help manage the growing real property inventory within the Army National Guard. The accumulated value of real property has increased from $400 million in 2012 to $650 million in 2017, and the building space has increased from 1.35 million sq. ft. to 2.2 million sq. ft. during that time. The position would be federally funded with funding currently available through 9/30/2019.

JFO #2904 – Two (2) limited-service positions within the VT Military Department. The positions would be titled Custodian II and are being requested to replace contractors with salaried positions. The cost of the custodial work is split 75% federal fund and 25% state general fund dollars. The Department estimates that annual general fund costs would increase approximately $15-20k between the contractor costs and salaried employee costs. The Department has stated that it has sufficient general funding to cover these costs over the remainder of FY2018 and the increase would be included in future budget requests. The federal share is secured through 9/30/2019.
Please review the enclosed materials and notify the Joint Fiscal Office (Daniel Dickerson at (802) 828-2472; ddickerson@leg.state.vt.us) if you have questions or would like an item held for legislative review. Unless we hear from you to the contrary by December 1, 2017 we will assume that you agree to consider as final the Governor’s acceptance of these requests.
This form is to be used by agencies and departments when additional grant funded positions are being requested. Review and approval by the Department of Human Resources must be obtained prior to review by the Department of Finance and Management. The Department of Finance will forward requests to the Joint Fiscal Office for JFC review. A Request for Classification Review Form (RFR) and an updated organizational chart showing to whom the new position(s) would report must be attached to this form. Please attach additional pages as necessary to provide enough detail.

Agency/Department: Military Department Date: 10/10/17

Name and Phone (of the person completing this request): Ken Gragg, 802-338-3110

Request is for:
☐ Positions funded and attached to a new grant.
☒ Positions funded and attached to an existing grant approved by JFO # 2872

1. Name of Granting Agency, Title of Grant, Grant Funding Detail (attach grant documents):
   100% Appendix 3, ARNG Security Cooperative Agreement W912LN-15-2-1003

2. List below titles, number of positions in each title, program area, and limited service end date (information should be based on grant award and should match information provided on the RFR) position(s) will be established only after JFC final approval:

   Title* of Position(s) Requested # of Positions Division/Program Grant Funding Period/Anticipated End Date

SUBJECT: Clarification of Funding for JFO #2872 Security Guard Position

The four Limited Service Security Guard positions are 100% federally reimbursed. The overall increase in positions requirements is based on a national risk analysis that changed the security level for several Army facilities/locations. This analysis translates to Vermont having a requirement for approximately 24 security guards. The Military Department currently has 13 security guard positions and the Master Cooperative Agreement (Grant) has increased funding to accommodate four new positions. The total requirement (24 positions) will be incrementally funded as the federal program receives additional funding to support the four new positions.

The incremental increase received this year is $251,000. This funding plus the portion of prior funding that was insufficient to cover an entire FTE will support the four new positions.
