2. Provide a brief justification/explanation of this request: In 2007 the State Approving Authority position was transferred for the Agency of Education to the Office of Veterans Affairs. During the ensuing years the Office of Veterans Affairs performed this task under an annual contract with the Department of Veterans Affairs. In federal fiscal year 2014 a partial year contract was offered because the VA was concerned with the performance of the contract. A contract was not offered in fiscal year 2015 because of performance issues. The position was eliminated in a RIF due to the loss of the funding stream. When I took over as director in September of 2014 I pursued a return of the contract. The attached contract offer was received on 1 July. The return of this position will allow the State of Vermont to better serve its veteran students and the institutions that are providing them education and training.
