JOINT FISCAL OFFICE
Ms. Valerie Rickert
Deputy Commissioner
Vermont Department of Labor
5 Green Mountain Drive
P.O. Box 488
Montpelier, Vermont 05601-0488

Dear Ms. Rickert:

I am pleased to inform you that your agency’s request for the 2011 Supplemental Budget Request (SBR) funds to continue operation of your Reemployment and Eligibility Assessment (REA) initiative has been approved in the amount of $848,012, in accordance with the prior allotment to your state and under authority of Section 302 of the Social Security Act. As designated by the appropriation language, these funds are limited to expenditures for REA activities provided in accordance with Unemployment Insurance Program Letter (UIPL) No. 11-11 and your state’s 2011 SBR. REA activities must be charged to an REA activity code to document the proper expenditure of funds.

REAs are a critical initiative to help unemployed workers successfully reenter the workforce and to simultaneously ensure the integrity of the Unemployment Insurance (UI) program. We are pleased that this worthwhile initiative will continue in your agency and look forward to your implementation of the new provisions in the UIPL to move to a more uniform REA program nationally. We will continue to offer both general and individualized technical assistance to REA states, as appropriate.

The Federal Grant Officer will issue a Notice of Obligation to provide these funds under the Fiscal Year (FY) 2011 UI Annual Funding Agreement. As a condition of this award, cumulative expenditures during the life of these projects should be reported in the remarks section of the U.S. Department of Labor’s Employment and Training Administration (ETA) Financial Report (ETA 9130). Also, please coordinate your state’s reporting with your regional ETA Federal Project Officer.

These FY 2011 funds should be obligated by the state in adherence to the timeline contained in your REA proposal, which is by March 31, 2012. However, to allow for potential changes that might occur, the obligation date specified by the Grant Officer on the Notice of Obligation for these funds is September 30, 2012. Funds must be liquidated within 90 days of the obligation deadline.

We recognize that proposals include cost estimates that may change. If changes of twenty percent or more in any specific budget category on the Standard Form 424A occur, a letter requesting approval of the change along with applicable grant documents
must be submitted by the agency signatory official to the ETA Regional Office to amend the budget and plan. Because approval of the Grant Officer is required, requests for these proposed changes, including an explanation of the changes and applicable budgetary information, should be submitted as soon as the required information is available. Pursuant to 29 CFR 97.23, requests to amend the plan/budget should be submitted at least thirty days prior to the end of the obligation period, and requests to extend the expenditure/liquidation period should be submitted at least 30 days prior to the end of the liquidation period. Please reference the SBR name and the UI Agreement grant number in any future correspondence relating to this SBR.

We are always eager to identify best practices for the REA program and welcome information about your successes through our new Community of Practice on Workforce3 One at https://reemploymentworks.workforce3one.org. Please share your initiatives and review valuable information from states facing similar challenges.

Best wishes for the continued success of your REA initiative.

Sincerely,
