Sent To Joint Fiscal Office

Department of Finance & Management [phone] 802-828-2376 [fax] 802-828-2428
Hi Sorsha,

This award will be used to support crisis counseling assistance and training, provided via the Vermont Care Network. This work began in April and was initially funded using FEMA funds through an MOU with Public Safety. The initial tranche of FEMA funding ended within the last two weeks. However, the work will extend to June of 2021. This award provides the second tranche of funding to continue these services, and without immediate approval, Vermont Cares Network will not have the funds necessary to proceed.

So to answer your questions:

1. Yes, the money is going towards an existing project that was set up in April in response to the COVID-19 pandemic.
2. Staff time in the department for administration of this grant program is reported as minimal; staff that have supported the program since April will continue to support this program.

Thank you,

Candace

Hi Candace,

I am sending this to Rep. Cummings today to get approval for the expedited request. What I am not seeing in the grant application is any specificity on how the money will be used. There doesn’t seem to be a submitted budget, other than the total. So a couple of questions:

1. Is this money going towards a project already in existence or is it setting up a new endeavor?
2. Is the department using existing staff or reallocating existing staff?

Thanks!

Sorsha Anderson
