

STATE OF VERMONT JOINT FISCAL OFFICE

#### MEMORANDUM

To: Joint Fiscal Committee membersFrom: Daniel Dickerson, Fiscal AnalystDate: October 29, 2015Subject: Grant Request #2791, #2792

Enclosed please find two (2) items that the Joint Fiscal Office has received from the administration. Three (3) limited-service positions are associated with one of these requests.

JFO #2791 – \$25,000 grant from Meadows Bee Farm to the Vermont Agency of Agriculture, Food and Markets. The grant funds will be used to provide sub-grants to eligible schools and organizations located in southern Vermont in need of technical assistance and implementation funding relating to the Vermont Farm-to-School program. [*JFO received 10/26/15*]

JFO #2792 – \$3,760,000 grant from the Centers for Disease Control and Prevention (CDC) to the Vermont Department of Health. The grant funds will be used to support projects to expand the licit prescription drug and illicit opioid overdose prevention efforts using certain strategies suggested by the CDC. Grant work will include data collection, implementing community or insurer/health systems interventions, and rapid response projects. Three (3) limited-service positions, a Substance Abuse Program Manager, Public Health Information Director, and Public Health Analyst II, are associated with this request.

Representatives from the Department of Health have indicated that because this request is quite similar to two existing requests (JFO #2787 and 2788) that are being reviewed at the November 13, 2015 Joint Fiscal Committee meeting, the Department would like to present this request for approval at the meeting as well. Please let me know as soon as possible if you would like this item held so that I can notify Theresa and she can add it to the current agenda. [*JFO received 10/26/15*]

Please review the enclosed materials and notify the Joint Fiscal Office (Daniel Dickerson at (802) 828-2472; <u>ddickerson@leg.state.vt.us</u>) if you have questions or would like an item held for legislative review. Unless we hear from you to the contrary by <u>November 13, 2015</u> we will assume that you agree to consider as final the Governor's acceptance of these requests.

# Memorandum

To: Justin Johnson, Secretary, Agency of Administration

From: Chuck Ross, Secretary, Agency of Agriculture, Food & Markets Via: Jolinda LaClair, Deputy Secretary, Agency of Agriculture, Food & Markets

Date: September 25, 2015

Re: VAAFM receives funds from Merinoff family to support the 2016 VT Farm to School grant program

This memo is to inform the Agency of Administration that the VT Agency of Agriculture, Food, and Markets (VAAFM) has been pledged \$25,000 from the Merinoff Family of Meadows Bee Farm in Windham, VT, toward the VT Farm to School Grant Program to support implementation of farm to school programs in southern Vermont schools.

The funding will supplement the state's FY 16 allocation of \$56,000 for the Farm to School Grant Program with the specific objectives of funding implementation grants and/or organizations providing farm to school program development technical assistance during the FY 16 grant round, specifically in Southern Vermont communities. These grant funds will be awarded to eligible southern Vermont schools that apply and are selected to receive funds through the competitive granting process. Support organizations providing technical assistance to develop and sustain farm to school programs to schools in southern Vermont may also receive access to this focused funding. No individual school grant will exceed \$10,000 and no organization's technical assistance contract will exceed \$7,500. All awards will be awarded in January 2016 and work must be completed by June 30, 2017.

Enclosed is the pledge from Leigh Merinoff of Meadows Bee Farm outlining the stipulations of their donation and expectations to support the existing VT Farm to School grant program's activities.
